Re: SEDW Training – SED Children's Provider Case Managers

This communication is being sent to inform the DWIHN SED Children's Providers effective 10/1/24, children and youth in the Serious Emotional Disturbance Waiver (SEDW) can choose to receive either Wraparound or Targeted Case Management. Wraparound will no longer be a requirement for youth enrolled in the SEDW.

As a result, DWIHN will be offering a SEDW training on Wednesday, September 25th from 9a.m.-11a.m. It is imperative that all Case Managers attend so they can be prepared and equipped to serve youth in the SEDW should the family select Case Management services instead of Wraparound. The training will also be recorded as well.
