

6th Annual Opioid and Substance Use Disorder Virtual Summit

Progress through Innovative Collaborations

July 26-27, 2022

8:00 AM–12:30 PM each day

▶ VISIT OPIOID SUMMIT WEBSITE ◀

The Detroit area and surrounding communities are striving to cultivate solutions to address substance use disorder (SUD) plaguing friends, families, youth, and co-workers. Join the conversation and collaborate to learn new innovative strategies and programs tackling SUD treatment and prevention.

Topic areas for this year's conference:

- State of Michigan: A Collaborative Update on Data, Programs, and Opioid Settlement Funds
- Treatment of Opioid Use Disorder in Michigan's Emergency Departments
- Overcoming Rural Transport Challenges: Recovery Mobile Clinics
- Overdose Fatality Reviews in Michigan
- Harm Reduction – What have we learned in meeting people where they are
- Integrating Social Determinants into Prevention Work and Addressing Disparities

Attendees will receive up to 8 MCBAP and 8 MI-CEC Social Work specific education credits awarded by DWIHN. MI-CEC approval number 00-10
