**Re: Additional 4<sup>th</sup> Quarter DCW hazard payment**

Detroit Wayne Integrated Health Network (DWIHN) learned that several 4<sup>th</sup> quarter batches were not included in the November 1, 2021 DCW payment. Therefore, DWIHN will be issuing another payment on **Monday, November 8, 2021**. The payment will post to your respective bank accounts and includes the \$2.52 adjustment for all claims submitted in MHWIN through October 15, 2021 for the 4<sup>th</sup> quarter 2021. If not already paid, providers are expected to remit the premium pay to employees by Friday, November 19, 2021.

Please make sure the premium pay is identifiable and separate from their normal pay. If an employee is no longer employed with a provider, it is expected that the premium pay will be sent to the employee in the same manner as when the employee was employed with the provider.

DWIHN will make the necessary adjustments to all claims for the increase; we only need providers to submit their normal claims activity in MHWIN. Please note that **no** further action is required of providers as it pertains to claim adjustments.

DWIHN will perform a final “sweep” of claims for the 4<sup>th</sup> quarter 2021 in mid-January 2022 for any claims not received by October 15, 2021 and providers will receive the DCW adjustment at that time.

Thank you again for your patience.
