Re: Revised Payment Schedule for Autism Providers

In October 2019, the Detroit Wayne Integrated Health Network (DWIHN) changed the payment schedule for Autism providers from bi-weekly to monthly in an effort to manage cash flows. Since then, DWIHN's cash flow has significantly improved therefore effective immediately, DWIHN will resume a bi-weekly payment schedule.

Contracted providers can expect a payment deposited into their respective accounts Friday, July 23, 2021 for all claims received through last Friday and continue on a bi-weekly basis. In an effort to accommodate the current claims deadline and payment schedule for July 2021, DWIHN will also issue a one-time payment next week. An updated payment and claims submission deadline will be published on our website by Monday, July 26, 2021.

Thank you for the services delivered to our children and families.
