Re: **Supports Coordination and Case Management Quarterly Meetings**

Detroit Wayne Integrated Health Network (DWIHN) Quality Improvement unit will be kicking off its first Case Management and Support Coordination quarterly meetings on Thursday, September 30, 2021 from 10:00 a.m. to 12:00 p.m. via Zoom. The purpose of the meeting is to improve services to members and to measure performance and outcomes in the pursuit of Continuous Quality Improvement (CQI). To ensure all required staff have an opportunity to attend, this will be a reoccurring meeting every quarter. Please come prepared with any questions regarding policies/procedures and or identified barriers and challenges within your organization.

As always, DWIHN appreciates your continued support in all that you do for the people we serve and we look forward to our continued successful partnership.
