Re: Payout - DCW COVID-19 Premium Pay (final sweep January – February 2021); and (March - June 2021)

Detroit Wayne Integrated Health Network (DWIHN) will be issuing the \$2.25/hr. direct care wage increase payment on **Monday, July 26, 2021**. The payment will post to your respective bank accounts and includes the \$2.52 adjustment for all claims submitted in MH-WIN through July 9, 2021 for the four-month period March 1, 2021 through June 30, 2021 **and** the final sweep for claims submitted for the **two-month period January 1 through February 28, 2021 (\$2.00/hr.)**. If not already paid, providers are expected to remit the premium pay to employees by Friday, August 6, 2021.

Please make sure the premium pay is identifiable and separate from their normal pay. If an employee is no longer employed with a provider, it is expected that the premium pay will be sent to the employee in the same manner as when the employee was employed with the provider.

DWIHN will make the necessary adjustments to all claims for the increase; we only need providers to submit their normal claims activity in MHWIN. Please note that **no** further action is required of providers as it pertains to claim adjustments.

DWIHN will perform a final “sweep” of claims for the four-month period March through June 2021 in mid-October 2021 for any claims not received by July 9, 2021 and providers will receive the DCW adjustment at that time.

Thank you again for your patience.
