Family Support Subsidy Program

POLICY

It is the policy of the Detroit Wayne Integrated Health Network (DWIHN) that DWIHN shall manage the Family Support Subsidy Program (FSSP) for Wayne County families who have a child with a developmental disability residing in their home and meet the eligibility criteria for the program.

PURPOSE

The purpose of the policy is to ensure that Wayne County families who meet the eligibility criteria for the FSSP are recipients of the subsidy for families who care for a child with a developmental disability. The FSSP keeps families together by defraying some of the special costs of caring for eligible minors, thus facilitating the return of eligible minors from out-of-home placements to their family homes, and preventing or delaying the out-of-home placement of eligible minors who reside in their family homes.
