Re: Payout - \$2.35/hr. DCW COVID-19 Premium Pay (October – December 2021) and Final 4th Quarter 2021 Sweep

The Detroit Wayne Integrated Health Network (DWIHN) will be issuing the \$2.35/hr. direct care wage increase payment on **Tuesday, February 1, 2022**. The payment will post to your respective bank accounts and includes the \$2.64 adjustment for all claims submitted in MHWIN through January 7, 2022 for the three-month period October 1 through December 31, 2021. In addition, the payment will include the final sweep for July 1, 2021 through September 30, 2021. If not already paid, providers are expected to remit the premium pay to employees by Friday, February 18, 2022.

Please make sure the premium pay is identifiable and separate from their normal pay. If an employee is no longer employed with a provider, it is expected that the premium pay will be sent to the employee in the same manner as when the employee was employed with the provider. DWIHN will make the necessary adjustments to all claims for the increase; we only need providers to submit their normal claims activity in MHWIN. Please note that **no** further action is required of providers as it pertains to claim adjustments.

DWIHN will perform a final “sweep” of claims for the aforementioned period in mid-April 2022 for any claims not received by January 7, 2022 and providers will receive the DCW adjustment at that time.

Thank you again for your patience.
