Re: One Time Retroactive Supplemental DWIHN 5% Provider Rate Increase –
October 1, 2021 through March 31, 2022 Payment

The Detroit Wayne Integrated Health Network (DWIHN) will be depositing the One Time Retroactive Supplemental DWIHN 5% Provider Rate Increase for the six-month period October 1, 2021 through March 31, 2022 on **Wednesday, July 13, 2022** in your respective bank accounts.

DWIHN is committed to ensuring that the additional funding is used to address the workforce shortage, increase in wages and fringe benefits required to retain and recruit quality staff, tangible improvements to the consumers quality of care, and other fixed costs due to the inflation experienced throughout the nation.

While DWIHN has not prescribed a specific amount for these efforts, it is our expectation that the funds will be used to address the aforementioned.

To that end, DWIHN will be developing a Smartsheet template for providers to report how the supplemental proceeds for the fiscal year were spent. The Smartsheet will be available in late January 2023.

DWIHN is appreciative of the hard work and resilience of the providers and their staff.
