Re: CAFAS / PECFAS Training Update
Date: March 14, 2023

Effective 5/11/2023 the Public Health Emergency will expire by the end of the day.

<https://www.hhs.gov/about/news/2023/02/09/fact-sheet-covid-19-public-health-emergency-transition-roadmap.html>

Per MDHHS Memo dated 8/19/2021, CAFAS and PECFAS raters would have 180 days from the end of the Public Health Emergency Order to complete a PECFAS and/or CAFAS reliable rater training. Thus, all PECFAS and CAFAS raters who were due for a reliable rater booster training during the past two years will be required to attend a booster by 11/7/2023 if they have not done so already.

All training dates up until October 2023 are posted on the Detroit Wayne Connect website (www.dwctraining.com) and open for registration.

If you have any questions please reach out directly to Marika Orme at morme1@dwihn.org.

Thank you
