Important Information:

- To participate in this training, you are required to utilize a computer (PC) and have reliable internet capabilities to allow for a strong connection to the virtual platform. You are required to be on camera for the duration for this training.
- To become recertified in PECFAS for two (2) more years, you will complete 6 vignettes that test your reliability as a PECFAS rater. You will be able to use any materials and notes that you have taken throughout the training. Taking notes is highly recommended. You will also be able to use the trainers as a resource and are encouraged to ask questions. Your vignettes will need to be emailed to Marika Orme at morme1@dwihh.org when you have completed all of them to receive your certificate on the DWC website, under your transcript. Four (4) Social Work CEUs and CMHP hours will be offered for this training.
