

CAFAS® Assessment Report

Youth: test2, test2	DOB: 01/01/2001	Date: 03/12/2013
Youth ID: 001	Age at Assessment: 12 yrs	Administration: 6 Months - Q2
Assessor: Wale, Heidi		Time Period Rated: Last 3 Months

CAFAS® Items Selected

Target Behaviors	Impairment
School / Work	
014 Frequently truant (i.e., approximately once every two weeks or for several consecutive days)	Moderate
Home	
051 Persistent failure to comply with reasonable rules and expectations within the home (e.g., bedtime, curfew); active defiance much of the time (OR, if youth is not in the home, youth fails to comply with rules and expectations unless close monitoring/supervision is maintained)	Moderate
Community	
084 Youth does not negatively impact on the community	Minimal or No
Behavior Toward Others	
093 Behavior frequently/typically inappropriate and causes problems for self or others (e.g., fighting, belligerence, promiscuity)	Moderate
Moods / Emotions	
122 Depressed mood or sadness is persistent (i.e., at least half of the time), with disturbance in functioning in at least one of the following areas: sleeping, eating, concentration, energy level, or normal activities. OR, if only irritability or anhedonia (i.e., marked diminished interest or pleasure in typical activities) is present, there should be disturbance in two or more areas	Moderate
Self-Harmful Behavior	
⚠️ 146 Non-accidental self-harm, mutilation, or injury which is not life-threatening but not trivial (e.g., suicidal gestures or behavior without intent to die, superficial razor cuts)	Moderate
Substance Use	
172 Infrequent intoxication or use of marijuana and only without serious consequences	Mild
Thinking	
198 Thought, as reflected by communication, is not disordered or eccentric	Minimal or No

CAFAS® Youth Total Score: **110**
