### MEMORANDUM

Date: February 11, 2025  
To: Clinically Responsible Provider and Residential Provider Networks  
From: Melissa Moody MS, LLP, MBA- VP of Clinical Operations  
Re: Specialized Residential Services: General Fund Benefit Plan- Effective February 17, 2025

---

Detroit Wayne Integrated Health Network (DWIHN) has evaluated residential services covered under the General Fund Benefit Plan to ensure they are essential clinical services for this service population. As a result, DWIHN has updated the General Fund Benefit Plan for Specialized Residential Services effective February 17, 2025.

Please note, the General Fund Benefit Plan only pertains to persons that do not have Medicaid. This Benefit Plan does not pertain to Medicaid deductible/spend down members.

General Fund Exception is the process designed to prevent the interruption of needed services while the insurance acquisition/reinstatement effort is underway. This is a temporary coverage benefit.

General Fund authorization approvals are completed on a case-by-case basis and will not exceed 30 days for Personal Care and Community Living Support services in a specialized residential setting without an exception approval. Please see the General Fund Benefit Plan attached for the services that are eligible for review and approval.
