## WHEN TO SEE A DOCTOR

The Center for Disease Control does not recommend wearing a mask if you are not sick. If you are experiencing severe respiratory symptoms, call 911 immediately.

- **Evaluate your symptoms**
- **Contact your Primary Care Physician first**

**If your Doctor is unavailable, call these hotlines**

- **Ascension: 833-978-0649**
- **Beaumont: 800-592-4784**
- **DMC: 888-DMC-3370**

- **Have a cough**
- **Fever over 100.4**
- **Shortness of breath**
